Hi Monica –

Alex Dunn had a number of comments on the NAMs press release. Here is the updated version that I shared with her for final review. Once I hear back I will send on to OPA for final review.

Thank you for your patience as OCSPP tried a number of different iterations to this roll-out. In the end, I think it's perfect that we are focusing on the NAMs work plan and the great work involved.

Best,
Paige

Sarah confirmed that she will invite all relevant parties to the webinar, and that we do not currently have a docket to reference in the release.

Thanks,
Paige

Alex –

We have worked with ORD to draft the attached press release, announcing the NAMs workplan. We plan to go live with this the morning of Tues (6/23). Note that the SAB are meeting 6/23 and 6/24 and have this as one of their agenda items, so we want to announce the positive news before that meeting kicks off.

Let us know what comments you have.

Thanks,
Paige
